- No application fees
- No reprogramming fees
- One-on-one education on statements and billing

**Not currently processing?
No problem.
Call for a no-obligation quote!**

Five great reasons why CardConnect is the preferred provider for credit card processing:

1. Competitive pricing
2. Innovative products
3. Reliable partner
4. Personalized support
5. Powerful security technology

Best-in-class security & technology solutions:

- **CardPointe** - From customer interactions to transaction reports, our complimentary browser-based transaction management tool is an all-inclusive control center.
- **Virtual Terminal** - Merchants can accept credit cards & eChecks anytime, anywhere with our easy to use, browser-based app for payment processing.
- **Point-to-Point Encryption** - Sensitive payment data is instantly encrypted the moment a customer's card is swiped, meaning it never hits or is stored within your system.
- **Patented Tokenization** - Tokenization replaces sensitive payment data with a unique identifier known as a token, which renders cardholders' data unreadable and therefore useless to hackers.
